Subject: Updated DB Briefing Document for RA

Hi Lucita/Sarah: here is my attempt at updating this document from an October 2017 version that Valois/I had.

If you can respond with your comments by mid-morning tomorrow, I will send a final version to Darcy so she can review/comment before it goes upstairs and is added to the Outlook invite. Please keep in mind that we have 45 minutes to cover this material which includes the attached Figures. There are a couple of prompts for your input.

Thanks,
